

Apprenticeship and Training

Refresher and Upgrade Training

Asbestos Refreshers

The next scheduled asbestos refresher training is scheduled for November. Please do not let your asbestos license expire; it could give you the ability to be employed when those without a license are unable to be.

Asbestos Supervisor Refresher

Monday and Tuesday, November 3 & 4	4:30 – 8:30 pm
------------------------------------	----------------

It is your responsibility to attend classes. Please keep your expiration date in mind. You must call to register for class you wish to attend. (301) 498-9162

Apprenticeship Instructor

As many of you may know, Ron Fitch has decided to retire from teaching in the Apprenticeship Program after 18 years of dedicated hard work and reliability; he will continue to work in the field for now. Ron played a very important part in training the future mechanics of the Local and he will be missed. I think I speak for all of us when I say – “Ron, thank you for your dedication to the program and we hope you enjoy many years of healthful and happy retirement in the future.”

The Joint Apprenticeship Committee will be accepting applications for a new instructor. Those interested should send a resume to the Apprenticeship Office by November 1, 2008; interviews will be scheduled at a later date.

Apprentice Reminders

The next scheduled union meetings will be Thursday, November 6th and December 4th.

Turn in your monthly report form by the 7th of each month

Attend school as scheduled

Go to work everyday and be on time

If you must be absent please inform your employer
